To,  
The Board of Directors of Rathi Steel and Power Limited

We have audited the Quarterly Financial Results of Rathi Steel and Power Limited ('the Company) for the quarter ended march 31, 2019 and the year to date financial results for the period from April 1, 2018 to March 31, 2019 attached herewith being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosures Requirements) regulations, 2015. These quarterly financial results as well as year to date financial results have been prepared on the basis of annual financial statements, which are the responsibility of the company management. Our responsibility is to express an opinion on these financial results based on our audit of such financial statements, which have been prepared in accordance with the recognition and measurement principal laid down in Indian Accounting Standards (Ind AS) interim financial reporting, prescribed under section 133 of the companies' act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amount disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by the management. We believe that our audit provides a reasonable basis for our opinion.

**Emphasis of Matter**

1. We draw attention to note no. 16 to the financial statements regarding the presentation of the same on-going concern basis. The company has incurred a net loss of Rs. 83,32,33,635.00 during the year ended on March 31, 2019 and as on that date the company's current liabilities exceed its current assets by Rs. 205,78,63,288.00 and company's net worth has been fully eroded. Post assignment of substantial Debts to ARCs Company is making all efforts to initiate an alternative resolution plans by restructuring the debts as well as to maximise the operating levels / minimize the costs.

Pending the resolution of the above measures these financial statements have been prepared on a going concern basis on the strength of continued support of the promoters, bankers / other lenders and signs of recovery in general economic scenario. Our opinion is not qualified in respect of this matter.

2. Lenders to the Company have since exited the approved CDR scheme in view of defaults being made by the Company in meeting its debt obligations as per restructuring scheme approved by CDR EG hence not considered any obligation as current liability. Interests on secured loans have been provided in the books of accounts to the extent provided by the lenders.

4. We also draw attention to Note no 2 to financial statements wherein Contingent Liabilities disclosed by the Company are substantial in amount.

The quarterly financial results for the quarter ended March 31, 2019 are balancing figure between audited figures in respect of full financial year ended on 31<sup>st</sup> March 2019 and the published year to date figures up to the end of third quarter ended on 31<sup>st</sup> December, 2018 which were subjected to limited review.
